Each of the parties hereto desires to set forth the order in which the proceeds of the PNC Loan, the UDAG Loan and the CDBG Loan (collectively, the "Loans") will be disbursed to Partnership (the "Advances").

Each of the parties hereto further desires to clarify the rights and responsibilities of the parties in case of certain extraordinary events, including casualty, eminent domain taking, or default under any of the Loans.

AGREEMENT

NOW, THEREFORE, the parties hereto, intending to be legally bound, have entered into this Agreement as follows:

Section 1. Initial Draw Request and Advance at Closing. On the date on which the PNC Loan has been closed, and the UDAG Loan and CDBG Loan has been assumed by Borrower (the "Closing") as evidenced by the execution of the respective Loan Documents (as defined below) with respect to each Loan and the recordation in the public records of Madison County, Alabama, of any of the PNC Loan Documents, the UDAG Loan Documents and the CDBG Loan Documents (collectively, the "Loan Documents") which are approved by Lenders and required to be recorded, Partnership shall apply all of the proceeds of the initial draw under the PNC Loan and the full amount of the Initial Equity Amount (as defined in the PNC Loan Agreement) to certain costs of Partnership due at Closing, as such costs are set forth in a draw request as approved by Lenders at Closing (the "Initial Draw Request").

Section 2. [Intentionally Omitted.]

Section 3. Sequence of Advances. Subject to the requirements of each Lender's respective Loan Documents, Advances shall be made in the following sequence:

- (i) at closing, the full amount of the Initial Equity Amount and a portion of the PNC Loan as approved by PNC;
- (ii) next, the full amount of the Additional Equity Amount; and
- (iii) next, the proceeds of the PNC Construction/Term Loan, subject to retainage as set forth in the PNC Loan Documents; and

(iv) next, the proceeds of the PNC Bridge Loan, subject to retainage as set forth in the PNC Loan Documents.

Without limiting such additional conditions as may be set forth elsewhere in this Agreement or under PNC's Loan Documents, the initial Advance by PNC of the PNC Loan shall be subject to the Additional Equity Amount having been fully funded.

Section 4. [Intentionally Omitted.]

Section 5. Lien Priorities; Lien Subordination. Partnership and each of the Lenders acknowledge and agree, notwithstanding the actual order of recording, that the relative priority of the following instruments and related liens and encumbrances shall be in the order set forth below, and each Lender consents to the Partnership's encumbrance of the Project by such liens and encumbrances:

- (a) first, the mortgage securing the PNC Loan;
- (b) next, the mortgage securing the UDAG Loan; and
- (c) last, the mortgage securing the CDBG Loan.

City hereby subordinates and subjects the liens and encumbrances created under the UDAG Loan Documents and the CDBG Loan Documents (collectively, the "City Subordinate Liens"), to the liens and encumbrances created under the PNC Loan Documents. City agrees to execute, acknowledge (if required) and deliver to PNC a subordination agreement, an estoppel certificate and/or such other and further documents in a form reasonably satisfactory to PNC and City as PNC may request to effectuate and confirm the subordination reflected in the preceding provisions of this Section 5.

Section 6. Payment Subordination, Standstill and Consent to Assignment.

(a) ***Payment Subordination.*** PNC and UDAG agree that the right of payment evidenced and secured by the UDAG Loan Documents and the CDBG Loan Documents is and shall be subject and subordinated in right of payment to the prior payment in full in cash of the indebtedness evidenced and secured by the PNC Loan Documents; provided that except as otherwise provided in Section 6(c) below, City shall have the right to receive the cash flow payments and UDAG Pay Down as provided in the UDAG Loan Documents and the CDBG Loan Documents, respectively.

(b) ***Default Under Subordinate Loan Documents.***

(i) So long as the PNC Loan remains outstanding, upon a default or event of default under the UDAG Loan Documents ("UDAG Loan Default") or event of default under the CDBG Loan Documents ("CDBG Loan Default"), City shall not exercise any rights or remedies that it may have under its Loan Documents, including, without limitation, the right to ask, demand, sue for, exercise or take other enforcement actions with respect to any right of setoff or take or receive payment of, or discharge Partnership from, all or any part of its Loan

until the PNC Loan is repaid in full in cash. City shall deliver to PNC a notice of a UDAG Loan Default or a CDBG Loan Default within five business days in each case where City has given a notice thereof to Partnership. As between Lenders, notwithstanding anything to the contrary in the Loan Documents, upon the distribution of any of Partnership's assets, whether by reason of sale, reorganization, liquidation, dissolution, arrangement, bankruptcy, receivership, assignment for the benefit of creditors, foreclosure or otherwise, PNC shall be entitled to receive payment in full in cash of all amounts due the under the terms of the PNC Loan Documents (including, without limitation, interest arising subsequent to the date of the filing by or against Partnership of any petition for relief under the Federal Bankruptcy Code or the making of any assignment for the benefit of creditors, whether or not such interest is recoverable from or provable against Partnership) prior to the payment of all or any part of the UDAG Loan or the CDBG Loan. City covenants that, so long as the PNC Loan remains outstanding, City shall not file a petition commencing an involuntary bankruptcy proceeding against or seek the appointment of a receiver for Partnership or take any action in furtherance of the foregoing.

(ii) [Intentionally omitted].

(c) ***Default under PNC Loan Documents.***

(i) Partnership agrees that, after it receives notice (or otherwise acquires knowledge) of an Event of Default under the PNC Loan Documents ("PNC Loan Default"), it will not make any payments under or pursuant to the UDAG Loan Documents or the CDBG Loan Documents (including, but not limited to, principal, interest, additional interest, late payment charges, default interest, attorneys' fees, or any other sums secured by the City's subordinate mortgages) without PNC's prior written consent. City agrees that, after it receives such notice from PNC with written instructions directing City not to accept payments from Partnership on account of the UDAG Loan or the CDBG Loan, it will not accept any payments under or pursuant to the UDAG Loan Documents or the CDBG Loan Documents (including, but not limited to, principal, interest, additional interest, late payment charges, default interest, attorney's fees, or any other sums secured by City's subordinate mortgages) without PNC's prior written consent. If City receives written notice from PNC that the PNC Loan Default which gave rise to City's obligation not to accept payments has been cured, waived or otherwise suspended by PNC, the restrictions on payment to City in this paragraph shall terminate, and PNC shall have no right to any subsequent payments made to City by Partnership prior to City's receipt of a new default notice from PNC in accordance with the provisions of this paragraph.

If, after City receives a PNC Loan Default notice in accordance with this subsection (c), City receives any payments under the UDAG Loan Documents or the CDBG Loan Documents, City agrees that such payment or other distribution will be received and held in trust for PNC and, unless PNC otherwise notifies City in writing, will be promptly remitted, in kind to PNC, properly endorsed to PNC, to

be applied to the principal of, interest on and other amounts due under the PNC Loan Documents. By executing this Agreement, Partnership specifically authorizes City to endorse and remit any such payments to PNC and specifically waives any and all rights to have such payments returned to Partnership or credited against the UDAG Loan or the CDBG Loan, as applicable. Partnership and PNC acknowledge and agree that payments received by City and remitted to PNC under this Section shall not be applied or otherwise credited against the UDAG Loan or the CDBG Loan, nor shall the tender of such payment to PNC waive any UDAG Loan Default or CDBG Loan Default which may arise from the inability of City to retain such payment or apply such payment to the UDAG Loan or CDBG Loan.

(ii) [Intentionally Omitted.]

(d) [Intentionally Omitted.]

(e) **Remaining Proceeds.** Upon (i) the distribution of any of Partnership's assets, whether by reason of sale, reorganization, liquidation, dissolution, arrangement, bankruptcy, receivership, assignment for the benefit of creditors, foreclosure or otherwise and (ii) the receipt by PNC in full in cash of all amounts due under the terms of the PNC Loan Documents (including, without limitation, interest arising subsequent to the date of the filing by or against Partnership of any petition for relief under the Federal Bankruptcy Code or the making of any assignment for the benefit of creditors, whether or not such interest is recoverable from or provable against Partnership), PNC agrees that any remaining proceeds shall be made available to City, all in accordance with applicable law.

Section 7. Application of Insurance and Condemnation Proceeds. The Lenders and Partnership each acknowledge and agree that PNC shall make all determinations as to sufficiency of available insurance proceeds or condemnation award proceeds ("Proceeds") and feasibility of restoration of the Project in accordance with the PNC Loan Documents, including without limitation, Section 4(a) of the Security Instrument (as defined in the Loan Documents). If PNC determines that the Proceeds are not sufficient to make the repair and restoration of the Project feasible, then PNC shall give prompt written notice of such determination to City, whereupon the Proceeds shall be applied in accordance with their respective Loan Documents, in the same order and manner as the lien priorities governing such Loan Documents as set forth above.

Section 8. Opportunity To Cure. Lenders shall each deliver a copy of any default notice delivered to Partnership to the other Lender. Partnership shall have the right to cure, and each Lender shall have the concurrent right, but not the obligation, to cure, any default under the Loan Documents for which a default notice has been given. For City, such cure shall be completed within the same cure period, if any, as provided the Partnership under the PNC Loan Documents. For PNC, such cure shall be completed within 20 days following the delivery of such default notice to PNC for any default curable by the payment of money, within 10 days following the delivery of such default notice for any default caused by failure to maintain required insurance coverage, and within 60 days following the delivery of such default notice to the PNC for any nonmonetary default, provided that, with respect to any such nonmonetary default, PNC shall (a) promptly provide City with written notice of its intent to effect a cure, and thereafter (b) commence action, within 30 days following delivery of the default notice, to cure the noticed default.

Amounts, if any, paid by a Lender as determined in its sole and absolute discretion, with respect to curing a default under any of the Loan Documents shall constitute indebtedness owed by Partnership to such Lender.

Section 9. Operating Agreement, Transfers of Partnership Interests, Etc. Notwithstanding anything to the contrary in the PNC Loan Documents, Lenders and Partnership agree and acknowledge as follows:

(a) None of the Partners (as defined in the PNC Loan Agreement) shall sell, assign, give, mortgage, pledge, hypothecate, encumber or otherwise transfer (except by operation of law upon death) any interest in Partnership, or transfer a controlling or managing interest in any entity which owns directly or indirectly through one or more intermediate entities, a controlling interest in Partnership, without the prior written consent of PNC.

(b) Neither Partnership nor any Partner or Guarantor (as defined in the PNC Loan Agreement) not an individual shall dissolve or liquidate without the prior written consent of PNC.

(c) No Partner or Guarantor shall merge into or consolidate with any entity, nor shall any entity merge into or consolidate with any such Partner or Guarantor without the prior written consent of PNC. This restriction shall continue to apply to all subsequent mergers and consolidations involving each such Partner, Guarantor and their respective successors.

(d) Neither Partnership nor any Partner or Guarantor which is a partner of Partnership shall amend, modify, supplement or terminate any of the Borrower Documents (as defined in the PNC Loan Agreement) without the prior written consent of PNC.

(e) Partnership and each Partner shall at all times perform their obligations under the Borrower Documents.

Nothing in this Section 9 obviates the Partnership's or Guarantor's obligations to comply with the Lenders' respective loan document provisions regarding the transfer and amendment provisions described above.

Section 10. [Intentionally Omitted.]

Section 11. [Intentionally Omitted.]

Section 12. Modification.

(a) No modifications, changes or amendment of this Agreement shall be valid or enforceable unless in writing and approved by each of the parties hereto.

(b) City may not (a) take or direct any action (including increases in interest rates other than as set forth in its respective Loan Documents as of the date hereof, without amendment) which has the effect of increasing the indebtedness outstanding under its

respective Loan Documents; (b) modify construction start or completion dates; (c) amend, modify or supplement in any material respect any provision of its respective Loan Documents; or (d) enter into or require any additional material agreement with Partnership in connection with its respective Loan or the Project, without, in each instance, the prior written consent of PNC.

(c) City acknowledge and agree that PNC may amend the PNC Loan Documents without the prior consent of City notwithstanding any provision in City's respective Loan Documents to the contrary; *provided* PNC may increase the PNC Loan amount, term or interest rate under its Loan Documents only with the prior written consent of City, which consent shall not be unreasonably withheld, delayed or conditioned; *provided, further*, upon the occurrence of a PNC Loan Default, City will consent to any amendment to the PNC Loan Documents to extent necessary to satisfy PNC's then-current underwriting and pricing standards.

Section 13. Miscellaneous Provisions.

(a) ***Termination of Agreement.*** The terms of this Agreement, and the rights of each party as provided in this Agreement, are applicable and available to each Lender only until the repayment of the obligations of Partnership to that Lender which are subject to this Agreement. Upon the repayment in full in cash of such obligations and, where applicable, expiration of such regulatory instruments, that Lender shall no longer be a party to this Agreement and the various priorities included above shall be deemed amended by the deletion of that (former) Lender and its respective Loan Documents from this Agreement, except that in the event that such (former) Lender is required, pursuant to Section 547 of the Bankruptcy Reform Act of 1978 or a successor provision to repay any amount paid to that (former) Lender by Partnership in satisfaction of such liabilities, then such Lender shall be deemed a party to this Agreement entitled to all benefits under this Agreement to the extent that any of Partnership's assets are thereafter distributed pursuant to this Agreement.
